

Wakefield Gets 5th, Faces Tough Future

By BILL LOOMIS

Wakefield High added number five to its string of victories Saturday, by beating a strong Falls Church High team 20-13.

From here on in the season will become quite a bit tougher for the Warriors. George Washington High School is next on Wakefield's list, and this game will reveal whether Wakefield has the go power or not.

Tank Johnson commented after the Falls Church game, "the boys are going to have to play a lot better than they have, to beat George Washington." In preparation for the Presidents' game Johnson is going to have the boys working hard on both offense and defense.

Last week the Warriors worked on defense more than offense and the coaches felt after the game that the stress on defense during the week had weakened the offense.

Johnson singled out linebacker Steve Hall for praise in the Falls Church game. Steve played fullback last year and was shifted to

The Wakefield coaches in their anxiety to check on Smilin' Jim Ford's Prexies in the Saturday night game with Thomas Jefferson in Richmond, were in the car and on the road 10 minutes after the game was over.

After a scoreless first quarter Wakefield struck paydirt first when guard Jerry Hand blocked a McIntyre punt. Bill Gordon picked up the loose ball and scampered 39 yards for the touchdown.

Two minutes later Falls Church tied the score. Sam Yancy of Falls Church took Don Gardiner's kick-off and ran it back 41 yards to Wakefield's 39. Yancy passed to his right end Johnson for a gain to the 11. Three plays later Jim McIntire circled his own right end and scored from seven yards out.

On the ensuing kick-off Wakefield marched 63 yards in nine plays to Falls Church's five yard line. Here Tom Perkins plunged for the final touchdown of the half. Don Gardiner's extra point kick was good.

The third quarter ended as Whitey Edwards scored on a nine yard jaunt. Gardiner's point-after kick was good and this ended the scoring for Wakefield.

Falls Church came right back after receiving the kick-off and ground out 70 yards in 16 plays.

Don Foster, substitute quarterback for Falls Church, scored on a sneak from the one yard line. The Jaguars left end, Jake Frye, had two tries for the extra point. He kicked the first one and missed, but Wakefield was offside and trusting his foot no longer, he passed to fullback Murray for the point.

The final gun went off with Whitey Edwards digging and scratching trying to get into the end zone. The referee blew the whistle marking the ball dead on Falls Church one inch line.

WAKEFIELD

Ends—Stevens, Redd, E. Hall, Planck,
